

NICOLAI MANEV

FULL-STACK DEVELOPER

Summary

I am a full-stack developer with an eye for quality and professionalism. I believe that my 4 years of experience in web application development will let me make a valuable contribution to your projects.

Being a fast learner, I enjoy challenges that go beyond my knowledge set and am open to learning new technologies when necessary.

Experience

Finix LLC, Chicago | 2020 - Present

Interests

Music

I love my electric guitar and enjoy playing rock, jazz, blues. Sometimes I'm into classical music as well.

Creating

I'm fascinated by making things that work. I enjoy building programs for fun or to solve my personal problems.

Debating

I enjoy discussing over various topics. I perceive debates as a great way to learn or teach things.

Education

**Bachelor of Management
and Business Administration**
